

***De minimis* self-declaration for small and medium-sized enterprises (“SMEs”)**

Please complete this declaration of previous state aid received under the *de minimis* regulation. Using this information we will assess your eligibility to receive a NanoLabNL voucher. Please note that having received previous aid under the *de minimis* regulation does not automatically disqualify you from receiving further *de minimis* aid. Please include any aid received, from national or EU sources, in this declaration.

***De Minimis* Aid**

If you have had public sector support, you should have been notified in writing of any *de minimis* element when the aid was awarded. If applicable, prior to granting *de minimis* aid, NanoLabNL must obtain a declaration from the company concerned, in written or electronic form, about any other *de minimis* aid. You are required to declare any such aid previously provided by a public body to your company or any company that you are linked to.

Under EC Commission Regulation No 1407/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty to *de minimis* aid (“the Regulation”), there is a ceiling of €200,000 for all *de minimis* aid provided to any one recipient over a 3 year period (or €100,000 for *de minimis* aid given to the road transport sector). Any award of grant given under the Regulation will be relevant if the recipient wishes to apply, or has applied, for any other *de minimis* aid. For the purposes of the Regulation, the recipient must retain details of the aid for 3 years from the date on which the recipient receives the last instalment of the aid and produce it on request by the UK or European public authorities.
